Is God Your Friend? Then Visit His Home.

Go to Church.

WATCH the long line of people entering church on Sunday. Isn't it a fact that they are really the worth while people in the community? If you are a business man, don't you prefer dealing with a man who is a CONSISTENT CHURCHGOER rather than with a man who never goes to church? You wouldn't hesitate to INVITE ANY AND ALL OF THESE PEOPLE entering church to your home.

A man who goes to church cannot go wrong very long. A common expression is that some people go to church to keep up appearances. That may be true. But the fact that a man wants the community in which he lives to think that he is good and God fearing shows that he wants to be good. He wants to enjoy the respect of his fellows. While there may be some hypocrites in the church, it is no exaggeration to state that the great majority of churchgoers are honest, upright citizens.

There is something basically wrong with a man who, while professing a belief in a Supreme Being, fails to take the opportunity the church affords to WORSHIP THAT SUPREME BEING. If you have a dear friend and you pass his house every day without dropping in to see him, you would not blame that man for DOUBTING THE SINCERITY of your friendship.

Do you wish GOD to DOUBT YOUR FRIENDSHIP? Do you want to LOSE HIM AS A FRIEND? If you don't, drop into his house AT LEAST ONCE A WEEK.

Show that you are sincere in your belief in God by GOING TO CHURCH next Sunday.

THEN GO TO CHURCH EVERY SUNDAY.
